Investigation 02-04-026  
(Filed April 22, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING  
SHORTENING TIME TO RESPOND**

On February 14, 2003, the City and County of San Francisco and The Utility Reform Network filed a joint motion asking that a date be set for oral argument. Further, moving parties ask that the time for responses to the motion be shortened to seven days (with responses due the same day as reply briefs are due).

Reducing the time for filing and serving responses to the joint motion from 15 days to seven days provides adequate time for others to address the motion while reasonably moving the proceeding forward. The time for responses should be shortened. (Rule 45(f).)

**IT IS RULED** that the time is shortened for the filing and service of responses to the February 14, 2003 joint motion of the City and County of San Francisco and The Utility Reform Network. Responses shall be due on or before February 21, 2003 (the same date reply briefs are due).

Dated February 18, 2003, at San Francisco, California.
